### And People Stayed Home – Kathleen O'Meara, 1869, after famine

And people stayed home  
and read books and listened  
and rested and exercised  
and made art and played  
and learned new ways of being  
and stopped  
and listened deeper  
someone meditated  
someone prayed  
someone danced  
someone met their shadow  
and people began to think differently  
and people healed

and in the absence of people who  
lived in ignorant ways,  
dangerous, meaningless and  
heartless,  
even the earth began to heal  
and when the danger ended  
and people found each other  
they grieved for the dead  
and they made new choices  
and dreamed of new visions  
and created new ways of life  
and healed the earth completely  
just as they were healed themselves.

### Post Box for Dedicated Giving Envelopes

To help those who support the Church by giving envelopes, there is now a post box at the door to the kitchen on the East, Stephen Terrace side of the Church. The parish will need our giving even more than ever as the income from hall rentals ceases. Please continue to give by placing your envelopes into the post box. Thank you.
