Windows Tour, 30th July 2020

We will welcome 20 Friends of the Botanic Gardens at 10.30am to enjoy our lovely windows. It is organised by a Friend who attended one of last year's tours - word of mouth advertising is effective!

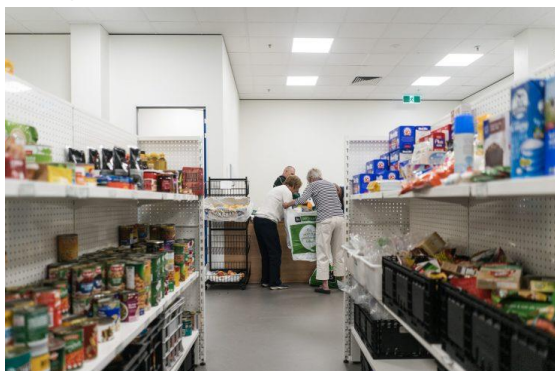

We need three people to help host, observing COVID protocol, of course, plus two plates of savoury eats and two plates of sweets for the morning tea. Please sign up on the Volunteer forms at the entrance to the church and speak to Sue if you have any questions.

Clergy women's tea

Grateful thanks to Jill Donisthorpe and Elizabeth Westphalen who helped to host 17 Adelaide clergywomen who enjoyed an afternoon of networking, food and fellowship, all while maintaining Covid-19 hygiene protocols. - Julia

Magdalene Centre Winter Food Collection Saturday 1st August 2020

We need volunteers again this year to drop flyers in letterboxes in the district and distribute advertising flyers for display in local businesses. Please place your name against the avenue(s) and street(s) that you are willing to cover on the sheet at the back of the Church. Leaflets for the letterbox drop will be available for collection on **Sunday 26th July** for distribution during that week. If anyone has difficulty collecting flyers,

please ring Ann 0417 810 549 or email: culpeper85@gmail.com

Save boxes too please, as we need sturdy medium to largish boxes e.g. banana boxes, in which to pack the donated items. It would be very much appreciated if you would save/collect boxes for this purpose and leave them at the back of the Church.

We also need volunteers **"on the day"** to collect and organise donations. If you can help on Saturday 1st August, please put your name on the sheet at the back of the Church. – Thank you, Ann.

Belltower roof

The heritage roofing specialists replaced badly rusted flat roof sections, gutters, flashings and cappings; cleaned and repaired other gutters and sealed leaks. Pictured here, Kingsley hoses the roof while his colleagues inside the spire, Raymond and Jay, check that the leaks are sealed.

News from Parish Council

- The trees overhanging the toilet block have been cut back to the fence line. They had considerable nuisance value: Dropping leaves that became slippery underfoot and playing host to possums whose droppings were also a hazard on the pathway.
- Malcolm Thompson has graciously agreed to do research and sort the parish documents stored in the belfry. Once collated, they will be stored in protective containers.
