### **Notice of Special Vestry Meeting: Sunday 16 August 9.15am**

Special Vestry Meeting to be held at 9.15am (between 8.00am and 9.30am services) on Sunday 16 August to vote on this motion:

*“Vestry requests the sum of \$37 000 from the All Souls’ Anglican Church Endowment Trust to cover the cost of repairs to the church roof, that is, ‘for the upkeep of the Church, including the fabric of its building’ as stipulated in the Trust deed.”*

The meeting and motion are necessary to move ahead on the repairs to the roof, the first of many elements that need attention. To qualify to vote, you need to have received Communion at least three times in the last year. Please speak to a member of Parish Council if you have questions/comments. There will be time in the meeting for limited discussion. – Parish Council

### **Windows Tour, 30<sup>th</sup> July 2020**

Thank you to all the volunteers who helped provide food and host 20 Friends of the Botanic Gardens in a successful visit on Thursday. Covid-19 hygiene requirements make hospitality more challenging, but led by the indefatigable Sue, the team of Ann, Dawn, Fiona, Ruth and Elizabeth coped admirably and raised more than \$200 from sales of books and cards. – Julia

**Consultation with Diocesan  
Ministry Development  
Adviser, Saturday 22  
August, 3-5pm,  
Coles Hall**

In the results of the Church Life Survey (NCLS) many people feel that a priority is to "Create a clear vision for the church". So, Parish Council invites you to join the Rev'd Dr Don Owers for a chance to reflect on the way forward for our parish.

Don was previously a parish priest, and head of Tabor and then St Barnabas Theological College. the Archbishop has appointed him in a part-time capacity to help parishes to grow their ministry and membership.

We will consider the updated Parish Vision statement (below); and examine the results of the NCLS and what they may mean for our community.

R.S.V.P. to Julia for catering purposes, please.

### **All Souls' Vision and Mission** An updated working statement:

We strive to be a model for contemporary community connection and support through transparent and inclusive mission to share God's love and nurture spirituality.

- All Souls is a community that values its worship, fellowship, history and the Arts, including music, visual arts and the performing arts. The most widely valued asset is the beautiful building with its unique windows, which is appreciated for itself and as a place of worship and tradition that supports and comforts people in the uncertainties of the modern world.
- There is strong attachment, therefore, to the idea of sharing the beauty of All Souls as a place of worship and as a venue for the Arts e.g. "Windows tours", art exhibitions, music concerts, poetry recitals and history/storytelling. In this, we recognise that "story" is at the heart of our faith and that all creativity is rooted in God, the Ultimate Creator. The church building also seems to emerge as the clearest way to connect with the surrounding community, as identified in Mission Action Planning.
- All Souls is also a place of generosity of spirit, striving to be inclusive of diversity: People of different abilities and cultures are included, and the community is open to being a place where all people feel welcome, including those who hold to another faith, none, or are "spiritual but not religious". We deeply desire our buildings to recognise and serve this generous purpose in addition to the already existing outreach activities like the Winter Food collection and the weekly collection of food for the AnglicareSA Magdalene Centre.
