

## HOW TO CONTINUE TO FINANCIALLY SUPPORT ALL SOULS' PARISH

There is a **locked post box** situated in the doorway of the kitchen entrance where envelopes can be posted. These will be collected daily, and the money banked as usual. For those who regularly give through the open plate, money can be left in an unidentified envelope.

**Gifts can also be made by bank transfer to the Parish Account.** This has become very popular in recent years and is now even more convenient. A set amount can be transferred regularly by arrangement with your bank, or transfers can be made at your own convenience. The bank details are as follows:

**BSB: 105 169      Account Number: 759 245 140**

If you currently make pledged contributions to the Parish, please give your **name or envelope number**, as a reference so that your gift can be allocated to your name. This information is as confidential as if it were given through an envelope and only the Parish Recorder and Treasurer is aware of the identity of the giver.

If you wish your gift to be anonymous, please reference the deposit as "Collection" for correct identification.
