### SWOT Analysis

At the consultation with Dr Don Owers, the Diocesan Ministry Development Officer, (pictured here) he suggested that the parish reflect on its Strengths, Weaknesses Opportunities and Threats (SWOT). Parish Minutes Secretary Mano De Mel is organising this and writes: "Parish Council (PC) invites members to contribute to this exercise in one of these ways:

1. Participate via Skype during the PC meeting on Tuesday 8 September at 7.30pm from your own home or at the home of a PC member of your choice. Contact me to organise your Skype connection.
2. Write your ideas on the SWOT templates at the Church entrance. These will be available until the end of September 2020.
3. Email your ideas to me before the end of September using the templates sent with this Parish News."
