- Available in the folder at the back of church: Minutes of October 2020 meeting (November meeting cancelled) and financial reports

## Safety Guidelines for your Christmas Nativity Scenes

The coronavirus pandemic has had a huge impact on the way we conduct our lives, with many new rules and restrictions governing our health and safety. One area of concern is your Christmas Crib. You will need to do a thorough risk assessment to ensure your Crib is COVID-secure. Here are some guidelines:

1. A maximum of 4 shepherds only permitted at the Crib.
2. Shepherds must wear facemasks (unless exempt) and strictly observe social distancing.
3. Shepherds are permitted provided they are not more than 70 years old or suffering from underlying medical conditions or in another vulnerable category.
4. Jesus, Mary and Joseph form a family bubble so may be placed together.
5. The ox and the ass need Declaration of Non-Contamination Certificates, obtainable from the Department of Agriculture.
6. The Three Wise Ones, since they come from an undisclosed country, will be subject to 14-day quarantine, irrespective of Covid test results.
7. The straw, moss, palm branches and other decorations must be disinfected, with hands washed for 20 seconds after handling.
8. Angels flying over the Crib are now forbidden, owing to the aerosol effect produced by the batting of wings.
9. The inn, along with other businesses in the hospitality sector, is closed until further notice.
10. For 2020 only, a Pontius Pilate should be added to the Crib to explain to authorised participants the protocols for washing and sanitisation of hands.

Please protect those whom you love and have a safe Christmas! – *Anonymous*
