Covid-19 One Year On

Adapted from a prayer by Sister Christine Koelhoeffer, IHM

Loving God,

As we mark the anniversary of the closure of our church doors and communities due to Covid-19;

We hold in tenderness and prayer the collective suffering of our world at this time.

We grieve precious lives lost and vulnerable lives threatened.

We ache for ourselves and our neighbours as we look into a still-uncertain future.

In the midst of that uncertainty, we are reminded that you are the God of hope.

May that hope, expressed in love, overwhelm fear.

We give thanks for all front-line workers, scientists and health care personnel who have invested so generously in the care of all in need.

We pray that you inspire our leaders to discern wisely as they continue to work for the common good. We pray for an end to this pandemic.

Help us to keep one another safe and reveal to us new and creative ways to come together in spirit and in solidarity.

Call us to profoundly trust in your faithful presence.

We offer this prayer through Christ our Lord. **Amen**
