NEWS FROM PARISH COUNCIL

- The fourth quarter **parish donation** of \$1 000 has been given to AnglicareSA for its Christmas hamper appeal.
- The vote on combining the 8.00am and 9.30am services into **one service** was so close (17 for change; 15 for no change) that it would not be appropriate to make any change at this stage. Service times will stay as they are when the new roster is drawn up in March 2024.
- **Repairs** have been done to the church's north wall and part of Kay Hall roof to address damp. Kay Hall unfortunately leaked badly after recent rains, so needs further investigation and repair.
- The contractors have commenced work on **acid-washing** the transepts after unanimous support for this work at the Special Vestry Meeting held on 19/11.
- Sign-in books have been introduced for **Coles and Kay Halls** to keep track of when the spaces are used, and by whom.
- Some activities in the halls are covered by parish **public liability** insurance under the Diocese, but those that are 'businesses' plus birthday parties are not. They are now required to arrange their own cover.
- The **key box code** for the key to Coles Hall has been changed. Users please ask for the new code.
