- 11:00am – 11.20 Refreshments
- 11:20am – 12.00 What would such a network
look like in Adelaide?

*Anglicans honour and value the many rich streams of theology and spirituality that have been part of Anglican history. Sometimes these streams appear to be in tension, incomplete or even to contradict each other. However Anglican life has always involved living with tensions, apparent paradoxes, and a degree of messiness for the sake of comprehending the whole truth. We need, more than ever, to uphold and promote our heritage as a free and welcoming church. One of the great treasures of Anglicanism is its long-standing commitment to a broad-based comprehensive church. This has gone hand in hand with a constant striving to grow into the truth as it is in Jesus.
