THE NATIONAL COMPREHENSIVE ANGLICAN NETWORK.

Bishop Stephen Pickard, a good friend of David's is the Chair of the new NCAN that was mooted a long time ago to be a voice for Anglicans who were very happy to stay as they were, and in distinction from The "Southern Cross" or GAFCON parishes and members. It has taken a long time for the NCAN to get off the ground, but at last, here it is. Here, in part, and edited, is what Bishop Pickard has written about it:-

"Dear All,

Welcome to the National Comprehensive Anglican Network (NCAN). The good news is at last we're up and running! Our mailing list includes people from all over Australia. We plan to send out a newsletter on a regular basis to keep people up to date, provide useful resources and links and enable people to remain in conversation.

NCAN does not intend to set itself up over against other entities, movements, organisations or trends and trajectories in the Church. It is not just another player on the ecclesial field. NCAN exists to help the Anglican Church of Australia understand itself better as part of the One Holy Catholic and Apostolic Church of Jesus Christ.

We offer a forum for a continuing conversation and open dialogue in the Church about the things that matter that belong to the Gospel of God and that concern us as Christians. We join with all who long to be faithful disciples of Jesus Christ, to uphold and promote the unity of the Church and to bear witness to the Gospel. We are made up of Anglicans who desire to promote the unity of the church and its witness to the Gospel. In 2026 we hope to hold a national conference. Further details of this will be announced in the near future.

I commend NCAN to all who share our hopes and dreams for a closer and deeper understanding of what it means to be one-in-Christ.

Grace and Peace,

+Stephen Pickard

Chair, NCAN"

EASTER OFFERING

Dear Parish Community, thank you for your most generous offering to me, It has come as an amazing coincidence, due to my laptop terminally crashing in Holy Week! It was presented to me as a gift at my farewell at Parkside in 2014, has served me well for 11 years, but cannot be repaired. Your gift will pay for a very good replacement and I have an external back-up on hand to upload to it.

I thought it was a very meaningful Lent, Holy Week and Easter,
From the parish laptop, my huge gratitude, David

COLES HALL

We have received a letter from Joe Thorp, Registrar and Secretary of Synod, advising that the Property Finance and Resource Committee at its meeting on 23 April has approved the sale of Coles Hall, with protocols pertaining to the Parochial Administration Ordinance, and that the Parish of St Peters retain 100% of the proceeds to be invested according to Diocesan protocols.

Election Day BBQ & Stalls

THANK YOU all most sincerely for the effort that went into making this fundraiser so successful. It was a beautiful day, the plants were really healthy and the produce looked yummy. Everything was well presented, enticing voters to part with their dollars via cash or card (no one had an excuse not to buy). The BBQ crew were a happy lot and worked hard keeping up with demand. There were two trips to the shops to buy additional sausages. Takings for the day were \$2717 with \$1000 for the hall hire, total \$3717 - all in all a very good day!

The Church was open for viewing and special thanks go to the volunteers who acted as guides. Quite few people took the opportunity to see inside our beautiful church, and look at the windows.
